SUMMARY OF THE NEWS OF THE WHOLE WORLD.

OFFICER STEALS WIFE

RUNAWAY RUSSIAN PAIR AR-RIVE IN PARIS.

Young Army Officer is Being Closely Pursued by the Wronged General-Couple Accompanied to Paris by an Elderly Woman.

Great interest was created in Paris Thursday when it was learned that fugitive Russian Lieut. Gabriel Essipoff, accompanied by the wife of Gen. Oushakoff, had arrived there on the steamer from New York. They had come on the steamer Savoie. flying from from the vengeance of the husband and former friend of Lieut. Essipoff. The runaways landed at Havre Thursday morning and arrived at the St. Lazare station Thursday night. They traveled under assumed names and were accompanied by an elderly woman. The passengers on the Savole were not aware of their identity, but Essipoff was recognized at the station at Paris. He was completely surprised when addressed and in reply to inquiries said:

"I have nothing to say. We wish to be left alone. We are quite happy." "Do you know Gen, Oushakoft threatens to kill you?" was asked.

"Yes," was the answer, "but he will never find us. We will be gone before he arrives here." The fugitives then took a cab to a

hotel in Rue de Rivoll, but later changed their quarters several times and succeeded in hiding their tracks. It is believed they intend to take another ocean steamer. The elopers fled from St. Petersburg several weeks ago, closely pursued by the general, who pursued them to various cities in Europe and finally reached Hamburg two hours after they had sailed for New York. The general followed on the next steamer only to find upon arrival there that his wife and the lieutenant had returned to Europe on the Savofe. Gen. Oushakoff is now on board the steamer La Provence on his way to Paris.

STATE OF NEBRASKA

NEWS OF THE WEEK IN A CON-DENSED FORM.

Home Folks Dined by Bryan-Host Makes Non-Political Address-Get a Look at Relics Collected During cated on North Sixteenth street and World Tour.

A reception and dinner to the "Bryan Nebraska Home Folks" was tendered Monday evening by Mr. and Mrs. William J. Bryan at their home at Fairview, the guests being the members of the Nebraska party who met Mr. Bryan at New York on his return from his trip around the world. Seventy-one members of the party at tended Monday night's dinner. Monday was the twenty-second anniversary of the marriage of Mr. and Mrs Bryan and the nineteenth anniversary of Mr. Bryan's arrival in Lincoln.

Following the dinner the guests were shown over the Fairview home and relics collected on the trip around the world described. The most formidable of these were two Chinese dragons of heroic proportions, which have been posted at the entrance to the Bryan home, which Mr. Bryan said represented the positive and the negative-the conservative and the democratic, and which he always sought to walk between.

Mr. Bryan made a short, informal speech descriptive of his journey and the receptions accorded in the different cities visited. There was no politics in the address.

TWO KILLED BY TRAINS.

Woman at Bellevue and Man at Grand Island Dead Through Carelessness. Miss Lotta Woods, aged 30, was killed by a Burlington train at Bellevue, being struck by the engine pilot of a passenger train.

Inquest was held at Papillion Monday, the verdict of the coroner's jury being that she met death as the resurof her own act. The testimony showed that the whistle was blown and she stepped from the track and then immediately stepped in front of the engine, giving the engineer no time to stop.

Edward W. Huber, a barber of Central City, was struck by a Union Pacific passenger train in the lower end of the yards at Grand Island and so badly injured that he died within an hour. Coroner Sutherland held an inquest, the jury bringing in a verdict that the deceased had met death in the manner described, through no negligence on the part of the com

Arrangemenst for the Five-College Debating association, of which Nebraska forms a part, have been practically completed, according to the reports received by Secretary Fogg, of the state university. The universities represented in this are Nebraska Minnesota, Wisconsin, Iowa and Illinois. The schedule has been arranged for debate this winter so far as place is concerned, but the date has not yet been determined. Most of the universities favor Feb. 15, but as this falls on charter day at Nebraska, there would be little opportunity for such a date there. Members of the faculty from each of the colleges have been working on the constitution and by-laws of the association during the summer, and this work is completed. Each university will have two teams, one of which will stay at home to meet its opponent and one will go abroad. The debates between the teams will be held on the same night and all will discuss the same question. Wisconsin will visit Nebraska.

Secretary Royce, of the state banking board has completed the compilations of the reports of the condition of the various banks of the state at the close of business Aug. 28. The re-port shows there were 578 banks reporting on Aug. 28, 1906, an increase of 11 over the number reporting May 19, 1906, and in increase of 43 over the number reporting one year ago. The amount of deposits has increased \$5,379,943.49 since the report of May 19, 1906, and \$8,161,280,45 since the report of a year ago. The increase in the amount of loans since May 19, 1906, is \$718,008.64, and since the report of a year ago the increase shows \$7,697,321,31. Ten years ago the total deposits in all state banks of Nebraska amounted to \$10,227,537.93, showing an increase of \$48,516,683.74. The banks were carrying an average reserve of 38 1/2 per cent at the date of this report, being more than two and one-half times the legal requirement.

Unless a change of mind is brought about the Lincoln high school football team will not be on the gridiron this fall. This team held the western high school football championship last year and claimed the championship of the entire country. The decision in opposition to playing was arrived at by members of the team Saturday. On account of the scholastic restrictions and qualifications required by the principal of the school and the board, the players decided that the maintenance of a team worthy of the school would be impossible.
